Respondent	Yuri Gagloev	Head of Znauri Unit of North Ossetian Batallion of JPKF	899 979243

Language of conversation is Ossetian

Gagloev: Hello.

Unknown Person: How are you? Tell us something, commander.

Gagloev: We are just sitting here.

Unknown Person: In short, they've brought a lot of armor... tanks and so on, they have just passed Java.

Gagloev: Who?

Unknown Person: The Russians.

Gagloev: Where are they then? They've f...d us, (swearing)...

Unknown Person: The same is here, they are bombing the town with GRADs and something...

Gagloev: What are our guys waiting for? Don't they have GRADs? And are you 100 percent sure?

Unknown Person: Yes, yes, I was told that they have already left Java with about 100 units of armor, if not more. So, encourage your guys there.
