Khachirov: What are the news?

Kvezerov: None, everything is fine.

Khachirov: Is there shooting here (?) In the town?

Kvezerov: Yes, and here as well, they have also harmed us a bit, from down there... we can hear it.

Khachirov: Is it still foggy at your place?

Kvezerov: Yes, foggy.

Khachirov: Go on now and plan the things with Andrey regarding those three vehicles, how to do it, in which way, so that they won't be able to use that road any more, right?

Kvezerov: Up there?

Khachirov: Inside.

Kvezerov: All right, should I bring them to the front or down there...

Khachirov: Those, you have placed in front, let them make maneuvers back and forth, as planned, then we'll see how the situation develops, masking and shootings, do both at the same time... collaborate... go on.
