### **Language of Conversation is Russian-Ossetian**

**Frieв:** Hello.  
**Kokoity:** Hello Kazbek Nikolaevich.  
**Frieв:** Hello.  
**Kokoity:** Good day, this is Robert Kokoity speaking.  
**Frieв:** Good.  
**Kokoity:** How are you doing?  
**Frieв:** I am fine.  
**Kokoity:** Where are you?  
**Frieв:** I moved there, you know (?) to one place. What about you, are you far away?  
**Kokoity:** I am with (?) .... Is it far to that place?  
**Frieв:** Well, I mean that... I wanted to send it, I'll be there in half an hour, wait I will call now. Is Phillip nearby?  
**Kokoity:** Philip, Philip ... I will give him the phone right now.  
**Frieв:** Go ahead and I will tell him about that deal.  
**Kokoity:** I'll call you back; I'll call you back, the second (?)... The upper one?  
**Frieв:** Right, the upper one...  
**Kokoity:** The upper one... where the small things were...  
**Frieв:** Well, right now I'll tell him about it.  
**Kokoity:** Now I'll give him a phone.  
**Khachirov:** Hello.  
**Frieв:** Shotaevich, well, right now we need to give him a BMP, ok?  
**Khachirov:** Well.

**Friev:** Provide him with the crew; as for (inaudible) ... and you should give him one 74 [AK-74] with an under-barrel grenade launcher, give him everything as needed. Also, you know what? Give him two boxes of PG-7 and also for those two under-barrel grenade launchers, OK?

**Khachirov:** All clear.

**Friev:** OK, please, give Robert the phone.

**Kokoity:** Hello.

**Friev:** Robert...

**Kokoity:** Yes.

**Friev:** Well Robert, you take the BMP, I give you two boxes of PG-7 and you'll have an under-barrel grenade launcher and automatic rifle, and grenades for it as well.

**Kokoity:** All right.

**Friev:** As we have agreed.

**Kokoity:** I will never forget this.

**Friev:** Sorry?

**Kokoity:** I owe you.

**Friev:** Come on. I just went away, to tell the truth I'd like to eat something. I'll eat some salad and be right back in half an hour.

**Kokoity:** All right.

**Friev:** All right.
